## SOUND OFF

729-4006

Sound Off 729-4006 is your personal forum and squawk box. We broadcast your comments on most any subject. To sound your voice, please call 729-4006 after 5 p.m. on weekdays and anytime over the weekend. Or leave a message at our new website at [www.micommunitynews.com](http://www.micommunitynews.com). A word to the wise: you must not speak ill of your fellow citizens. Be brief. Be interesting. Otherwise we may edit you.

## Wayne-Westland board candidates dodged real issues

My Sound Off is in regard to the June 14 Wayne-Westland school election.

By this date, we have received all of the candidates' materials and it appears that none of them are addressing any sound, realistic issues, for example: social promotions, which means that regardless of the student's grade or attendance record, he or she goes to the next grade; an endorsed or nonendorsed diploma — who knows what that means? — wasn't discussed in the campaign.

I'm not sure what contributions these candidates will make other than they live here and they want to establish political futures to move onto a council race.

## Secret government discussions are harmful to democracy

At the Wayne council meeting on the first of June, Councilwoman Lentine tipped us off to the secret kind of government she prefers.

Councilwoman Powser announced that a street ordinance in 1983 had been changed the current street ordinance by dropping out the word "not," from a "shall not statement." In moving the negative word "not," they created a permissive ordinance from a restrictive ordinance by retaining the word "shall."

Councilwoman Lentine told Powser that she should have brought it up at another time rather than at a public council meeting.

Secret government doesn't belong in Wayne and council people who prefer it are dangerous to honest government.

## Western Wayne County expatriate stays in touch online

I lived in Westland before moving to Texas last year and I used to love reading the Westland Eagle and Eyewitness, especially Benny's column and Ivan's editorials.

Now I can keep up with Western Wayne County online. Now, if only I could get a Bray's burger faxed to me, my joy would be complete. I heard the Benny Jets' song "Dumb Girls" on the JT Brick radio show recently — it sure is a small world.

## 'Captured' gypsy moths displayed at City Hall

By AL POST  
MCN Staff Writer

While early fests indicated Romulus would not have a gypsy moth problem this year, the devastating eating bug problem came face to face with the City Council on Monday night.

A local homeowner, Dennis Kovacs of Cogswell, hand delivered "a 10 minute personal collection of gypsy moths he had gathered prior to the council meeting."

Kovacs said last year he spent \$300 of his own money in addition to the city's anti-gypsy moth spraying effort.

The determined homeowner said he is most concerned about several beautiful 60-68 foot oak trees in front of his home, as well as others on his property.

One council member looking into the clear glass jar Kovacs placed his moth collection in, said "it doesn't look like all these bugs are gypsy moths."

Kovacs joked he might have accidentally grabbed a few lightning bugs, which the moths used to guide their way around Romulus.

Mayor William Oakley admitted that there had been some reported infestations of gypsy moths on Wabash and other areas near those sites.

Oakley said his assistant David Cox has been visiting some areas in recent days to check out reports of gypsy moth infestations at various sites.

The mayor said the city recognizes the problem and is working to come up with a land based solution.

Any other Romulus residents, who notice any signs of gypsy moths are urged to call Cox at 734-942-7569 and inform the city of any other bug problems.

## Stench irking city...

By AL POST  
MCN Staff Writer

Romulus City Council officials and private citizens complained in unison Monday night about the offensive odors permeating from apparently Wayne County operated retention ponds in the area of Detroit Metro Airport property.

The sickening smells have been complained about in recent months, but various council members said the recent high temperatures have added to the power of the stench.

The problem led Councilman William Crova to comment "I wouldn't want to live on Harrison Road" one of the residential areas hardest hit by the smells.

Councilwoman Debbie Romak added "we have a noise hotline with the airport. Maybe now we need an odor hotline!"

Most on the council felt it was important to pass on their concerns to Wayne County Commission John Sullivan (D-Wayne) so that he can present them to airport and Wayne County officials.

In other actions at the city council meeting, it was announced that this year's July 4 parade will occur earlier — at 6 p.m. July 1.

The council tabled a request for rezoning by the Daly Restaurant at 12224 Huron River Drive from M-1 (Light Industrial) and C-2 (General Business) to C-3 (Highway Service). The restaurant wants to expand both its building and parking lot facilities.

## Three candidates seeking one seat on school board

By AL POST  
MCN Staff Writer

A rare field of three candidates for a lone Romulus School Board seat will face the voters on June 14...with each...like previous candidates stating they support the televising of the twice a month trustee meetings.

Three times in the past 12 years current School Board President Howard Kesner has run for the lone seat unopposed.

But despite such claims of support for the televising of the meetings in past years, it is not guaranteed that such a vote will yet be placed on the trustees' floor in coming months...or passed by the board without more outcries from the public.

In past instances, administration leaders led by Superintendent Dr. William Bedell have claimed the limited size of the board room is not adequate to allow for such videotaping of the board meetings the second and fourth Mondays of the month.

Apparently little or no mention was made of moving the meetings to a larger room...although a year ago meetings were conducted in other school buildings.

The candidates seeking the four-year term expiring in 2003 are: Tony A. Heimberger, Billy M. McCraight and Edward Thomas Jr.

The winning candidate will replace Kesner, who is retiring after completing his third term on the board.

Heimberger, 33, a district credit manager for Alliant Food Service of Taylor, is by far the most outspoken of the trio.

Heimberger, who has lived in Romulus for the past 13 years, is best known for his activism with RECAP -- the local citizens group opposed to the deepwell project sought by Environmental Disposal Systems.

If elected Heimberger said he would press for:

- a signed teacher contract, since the school district has already paid Bedell over \$1 million in salary in recent years.

- the televising of the trustee board meetings, even if he has to arrange for the videotaping himself privately.

- answers to why the school board sued the city of Romulus earlier this decade...and how much that suit cost the taxpayers.

- a halt on the administration's spending future millions on a possible new elementary school and additions to all other local school buildings until the need is better expressed by the Bedell administration.

McCraight, 61, a retired truck driver and local firefighter, definitely has been the most active in the campaign.

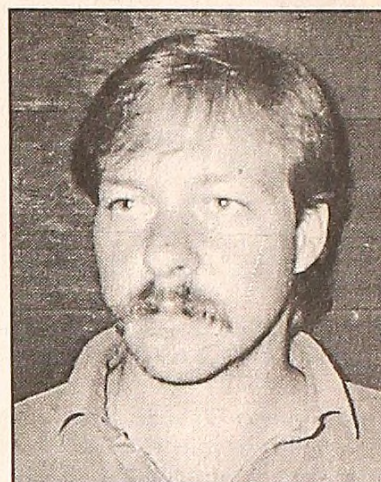

He has posted over 250 yard signs and dropped off over 1,500 campaign pamphlets in recent weeks, seeking community support.

McCraight claims he has won the backing of local teachers and other school employees, despite vowing he "doesn't have all the answers to the school district's problems."

The retiree said "right now I'm just a private citizen...who doesn't even know all the questions that should be asked."

But once elected, I will press the administration for answers on everything the public wants to seriously know, McCraight said.

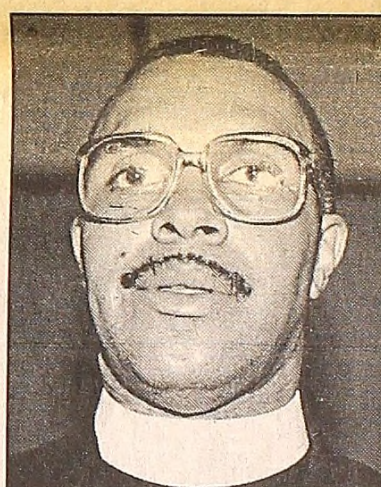

He vows he would work hard with fellow board members to find a "suitable re-

Tony A. Heimberger

Billy M. McCraight

Edward Thomas Jr.

placement for Bedell, when ever he decides to retire." (It is expected Bedell will retire in June 2000).

McCraight also said that despite the fact that both he and Assistant Superintendent Joel Carr are fellow Rotarians, that club membership will not be a factor in his vote for or against Carr if that option arises next year.

Like current and previous candidates, McCraight favors televising school board meetings, although he said voters he has talked to expressed more concerns about shrinking class sizes than they are about videotaping the trustee meetings.

Thomas, 54, currently a member of the Romulus Police and Fire Commission, complains that one of his major concerns "is the negligence towards the teachers (who are currently) working without a contract."

He added "I believe if a consistent stand" is not taken on behalf of our teachers, we the citizens of this city will find ourselves without the quality of excellence we have become accustomed from the educators."

Thomas, who also serves as pastor of the Martin Temple Church of God in Christ, states he can help the school district since he has a good rapport with local children, listens to the concerns of parents and if elected "will keep an open door policy" with area residents.

Thomas favors televising the school board meetings, as the other two candidates have also announced.

## Deputy medical examiner, administrator are named

By AL POST  
MCN Staff Writer

Dr. Carl Schmidt has been named Wayne County's Deputy Chief Medical Examiner and Eunice Howard has been promoted to the office's director of administration, County Executive Edward McNamara announced last week.

Born in Cali, Columbia, Schmidt received his medical degree in 1981 from Universidad Anahuac in Mexico City.

Being familiar with the U.S. because of his family's many trips here, Schmidt ultimately relocated to New Jersey in 1984 and began a residency in general surgery.

"I was thinking of being a surgeon, but then I didn't like medicine as a full time activity," he said.

The 41-year-old pathologist trained in anatomic and clinical pathology at the Medical College of Ohio in Toledo.

But then he decided to try forensic pathology that investigates how and why people die.

Learning of fellowships available at the Wayne County Medical Examiner's Office and trained there in 1994.

He was hired as an assistant medical examiner a year later.

Being the father of two son, ages 7 and 9, Schmidt has become intensely interested in child abuse.

"Children are defenseless. Having children of my own makes it hard to understand how that can happen," he said.

Schmidt feels that any society that is not investigating why its children die, is not worth living in.

Howard meanwhile is a 26-year veteran of the Detroit Police Department and is a former Wayne County Medical Examiner's office investigator.

She is a Detroit resident and has worked all facets of law enforcement throughout her career.

She also has a master's degree in liberal studies from Eastern University.

Howard said she is looking forward to guiding one of the nation's finest and busiest medical examiner's offices -- containing a staff of 50.

The division investigates the causes and manner of death in all cases where there has been a violent death, or a person whose death is unexpected or under a suspicious circumstance.

Howard's appointment has been praised by Cassandra Smith Gray, director of the County's Health and Community Services Department.

"Eunice has investigated hundreds of Medical Examiner's cases and has a superb working knowledge of the inner workings of the office."

The Wayne County Medical Examiner's office is the fifth busiest in the U.S. and handles a daily average of 10-12 deaths a day.

# Students wish Belleville 'auf wiedersehen'

By CAROL MARSHALL  
MCN Staff Writer

Sometimes, it's not enough to read about it. You just have to go see for yourself.

Six Belleville High School Students will spend four weeks in the city of Wolfsburg with German families. Through the auspices of the American Association of Teachers of German, the students will travel to Chicago, where they will meet up with the teacher, who will accompany the group to Germany.

"It is kind of ironic that our students from the U.S. car capital will spend their time in a car capital of Germany, says Erika Sizemore, German teacher who organizes the study trip.

The students are well prepared to meet the challenges of

living with a German family and going to a German high school. Everything they've read and heard about will come alive when they're immersed in the German culture.

But it won't be all fun and games while the students are abroad. There will be some serious studying, too. During their stay from June 14 to July 12, the students will attend school, the Heinrich-Nordhoff-Gesamtschule in Wolfsburg, where they will receive two hours of accelerated German among other scheduled classes every day.

There's one thing all six students are happy about—they will not need to take exams while at the German high school.

"We wish them 'Gute Reise' and a wonderful stay in Wolfsburg," says Sizemore.

Belleville High Schools students Jennifer Debusch, Carlisle Debusch, Bridget Harsch, Jeffrey Morris, Kyle Schroeder and Natalie Yeakle will spend four weeks this summer in Germany.

## Canton police, schools ready with year-end enforcement

Increased patrols by Canton, Plymouth Township and Plymouth police officers on Plymouth-Canton school grounds and other locations hosting year-end school celebrations are intended to send a reminder to parents, teens and business owners of the important role each plays in assuring safety for their own and the lives of others as the school year comes to close.

Police have already begun zero tolerance enforcement on substance and alcohol abuse and the Canton SEU (Special Enforcement Unit) will step up patrols and enforcement on Wednesday, June 9, seniors' last day; Sunday, June 13, graduation; and Thursday, June 17, last school day for underclassmen.

The schools have requested that students not bring shaving cream, balloons and other traditional "last day" items to school. The schools have sent home letters to parents advising them of this and will continue to make

parents and students aware of the consequences if students chose to do so.

The Canton police, along with Plymouth Township and Plymouth, will be on site to handle dismissal and surrounding road traffic. Police plan to utilize bikes, motorcycles, patrol cars and the department's command vehicle.

Students violating the schools request will be issued disorderly person tickets and may be taken out of graduation ceremony.

This year, the presence of Canton Youth Liaison Office Mike Steckel during the senior prom and senior party offered the schools' security teams expanded policing support.

The zero tolerance and increased patrols and police presence serve as an advisory to students to adhere to establish school rules, as well as the law and to exercise good judgement and safety first.

## All invited to softball opening

Residents are invited to join the Canton community in celebrating the grand opening of the municipally owned and operated Canton Softball Center on Friday, June 11, 1999 from 5-7 p.m. "A Night at the Ball Park" will kick off the official season.

There will be a Family Fan Fare hour from 5-6 p.m. with a Moonwalk, Dunk Tank, Free Mug Bug root beer floats, hot dogs, team photos and other surprises.

The Grand Opening Pitch will be held on Diamond number 12 at 6 p.m. followed by Canton Community Junior Baseball and Softball Association games. Balloons and baseball caps will be flying proud as the Canton community celebrates baseball and softball at the Canton Softball Center.

The facility is located on Michigan Avenue, west of Canton Center Road. For more information, call 483-5600.

### CHARTER TOWNSHIP OF VAN BUREN REGULAR BOARD MEETING MINUTES JUNE 1, 1999

Supervisor Foster called the meeting to order in the Board Room at 7:30 p.m. Present: Foster, King, Budd, Clark, Hart, Herman and Rochowiak.

Absent and excused: None. Others in attendance: Director of Development Kelley, Community Services Director Long, Deputy Fire Director Smolen, Deputy Community Services Director Ross, Executive Assistant Ireland, Secretary Payne and an audience of twenty-one (21). APPROVAL OF AGENDA: King moved, Clark seconded to approve the agenda with one addition, under "Minutes" add item #3 Executive Session Minutes of May 17, 1999. Carried.

PUBLIC HEARING: Rochowiak moved, Budd seconded to open the public hearing to consider the establishment of a Special Assessment District to fund a portion of the construction cost to pave approximately 15,840 lineal feet of Bemis Road from Sumpter Road west to Rawsonville. Carried.

This is the second of two public hearings for discussion and comment from residents regarding the proposed special assessment district for the paving of Bemis Road. The Township Board is in receipt of signatures of residents whose property comprises more than 65% of the lineal footage on Bemis Road. Wayne County has made a commitment to fund 80% of the paving and all engineering costs, with residents being responsible for the remaining 20%.

The tentative tax roll has been published and letters sent to property owners detailing their proposed assessment amount. The assessment amount remains at 10% or \$240,000 for property owners on Bemis Road in Van Buren Township, 10% for Sumpter Township residents and 80% for Wayne County. The total cost of the project is \$2.4 million. Two residents have requested minor corrections in the lineal footage for their assessment and one resident has concerns regarding drainage on Elwell and how it may impact the new surface and drainage ditches proposed for Bemis Road. Another resident voiced concern over the number of large trees that would be removed on the Sumpter Township side of Bemis Road. Director Kelly stated those concerns would be directed to Sumpter Township as well as Wayne County.

Supervisor Foster noted the project requires the approval of both resolution 99-15, and the Intergovernmental Agreement with Wayne County. She also stated Wayne County is responsible for concluding the specifications, the bid process and awarding the contract. The agreement stipulates all the particulars with respect to payment and that the assessment amounts may be spread over a five year period.

There being no additional comments, a motion was made to close the public hearing.

Hart moved, Herman seconded to close the public hearing. Carried.

MINUTES: Clark moved, Hart seconded to approve the Work Study Session Minutes of May 17, 1999, as presented. Carried.

Hart moved, Budd seconded to approve the Regular Board Meeting Minutes of May 18, 1999, as presented. Carried.

Herman moved, Rochowiak seconded to approve the Executive Session Minutes of May 17, 1999, as presented. Carried.

CORRESPONDENCE: Clerk King stated the township had received a check in the amount of \$18,231.00 from the township's worker compensation insurance carrier which represents a refund of premiums due to lower than anticipated claims. In addition, Clerk King stated this is the fourth year the township has received monies back.

Supervisor Foster congratulated Treasurer Budd and Deputy Treasurer Malinczak on concluding the Treasurer Institute program at Central Michigan University.

UNFINISHED BUSINESS: None.

NEW BUSINESS: Clark moved, Rochowiak seconded to adopt Resolution 99-15, [to establish a Special Assessment District to fund a portion of the construction cost to pave approximately 15,840 lineal feet of Bemis Road from Sumpter Road west to Rawsonville]. Carried.

Rochowiak moved, Hart seconded to approve the Intergovernmental Agreement between Van Buren Township and Wayne County for the Bemis Road paving project and to authorize the Supervisor and Clerk to execute the agreement. Carried.

Hart moved, Clark seconded to accept the 1998 Audits from Plante & Moran. Carried.

Hart moved, Budd seconded to approve the [1999-2000] 34th District Court Budget. Carried.

Budd moved, Clark seconded to approve the addition of Salomon Smith Barney, Inc. and Great Lakes Bank to the investment institutions for Van Buren Township. Carried.

King moved, Clark seconded to adopt Resolution 99-16 in support of Growth Works. Carried.

VOUCHER LIST: Budd moved, Hart seconded to approve the June 1, 1999 voucher list as presented. Carried.

REPORTS: Supervisor Foster ordered the April 1999 Public Safety Report received and filed.

ANNOUNCEMENTS: The 3rd Annual "Camp with a Cop" will be held August 13th through August 15th. The program is open to children ages 8 to 13 years old from Van Buren Township and the City of Belleville. Registration packets are available in the Public Safety Department and will be accepted on first come, first serve basis. Call 699-8939 extension 273 for additional information regarding this program.

The September Days Seniors are seeking donations for prizes at their Senior Jamboree. New unused items and/or non-perishable food may be brought to the Senior Center.

The Recreation Department has the following programs open to residents: Adult and children tennis lessons, adult "Latin" dance social on June 26th, Teen Video Camp will be held June 18th through July 1st, softball leagues, Day Camp and Tots-in-the-Park programs. Call 699-8921 for additional information.

Belleville Rotary Club will sponsor a pancake breakfast on Saturday, June 19th at the Belleville High School cafeteria from 8 a.m. to 11 a.m. Tickets are \$6.00 for adults and \$5.00 for children under 12 years old, rotary bucks are available for a \$1.00 discount.

AUDIENCE: (Non-Agenda Items): A resident inquired about the police boatlift installed at a local marina, the status of the University of Michigan project and the installation of the water and sewer line at Van Buren Park. Supervisor Foster stated the boatlift installed will function at both the current location and its future location to provide space for maintenance and winter storage. In addition, she stated the University of Michigan boathouse would not be available for use until the year 2000, so in the interim this boatlift is a needed and appropriate expenditure. She also indicated that groundbreaking has not yet occurred. Direct Kelley said that permits are ready to be signed and the staking process would begin shortly.

ADJOURNMENT: Hart moved, King seconded to adjourn at 8:45 p.m. Carried.

Respectfully submitted,

Helen Foster, CMFA  
Supervisor

Cindy C. King, Township Clerk

## Guile, Maloney head MCN school endorsements

School elections are often considered to be at the bottom of the election chain. Voters clamor to vote in presidential and primary elections, but voting for persons to run the local school board is sometimes a chore. For example, this year in the Van Buren School District and in Westwood, two incumbents are running for their two seats on the school board. No one is challenging them. Do you think more than a handful of dedicated school supporters will cast a ballot at the polls? I doubt it.

This is certainly not the case in the Plymouth-Canton district. The district that is struggling with replacing a suddenly departed superintendent and costly building plans has two challengers taking on two incumbents in a knock down, drag out political donnybrook seldom seen at the local school level.

And believe it or not, the big issue is not the former superintendent or the expensive building plans, but merit pay for school employees. School Board President Mark Maloney and incumbent Carrie Blamer endorse merit pay and have attempted to get the district's principals and assistant principals to accept merit pay increases.

School employees, who solidly back merit pay opponents Steve Guile and Mark Slavens, claim the merit pay issue has sunk employee morale to the lowest depths and is responsible for ten administrators quitting.

Notwithstanding that issue, we support Steve Guile and Mark Maloney. Guile, as Westland's Downtown Development Authority director, has vast experience in dealing with public and private sectors. As a township trustee and planning commission member, he takes credit for writing several sections of Proposition A, which probably makes him an expert on the school funding issue. In our opinion he will make an excellent addition to the Plymouth-Canton school board.

Our second choice, although this was debated heavily within our own editorial board, is current president, Mark Maloney. Maloney has led the school board through a very tumultuous period, and appears to be up for the challenge to continue that leadership. His experience, accessibility, and time devoted to the job make him worthy of re-election.

In Wayne-Westland, three newcomers and one incumbent are vying for two positions in an election that is expected to turnout less than three percent of the registered voters. We support Martha Pitsenbarger, who is seeking her second term; and community activist Marshall Wright. Their opponents are

sports enthusiast Skip Monit and recent college graduate, Brenda Smith.

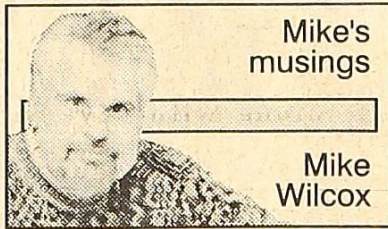

Pitsenbarger, a clinical social worker, has worked diligently to see that the recently approved bond project be completed. One of her pet projects, getting new textbooks, has been a rousing success, and she now plans to lend her energies to better overall MEAP scores. We believe she is on the right track and deserves re-election.

Wright, a familiar face at school board meetings, is also active with the Friends of Westland Library, Westland Goodfellows, Westland Playscape Committee, Wayne/Westland Junior Miss, Westland Festival, Friends of Sassafras and St. Gerard's School Board. This perpetual volunteer deserves an opportunity to utilize his people skills at the school board level.

We endorse firefighter Billy McCraight for the vacant seat on the Romulus School Board. McCraight has a sterling volunteer record as a Boy Scout leader and sports coach and should make a good addition to the board. Also running for the single seat are Tony Heimberger and Edward Thomas.

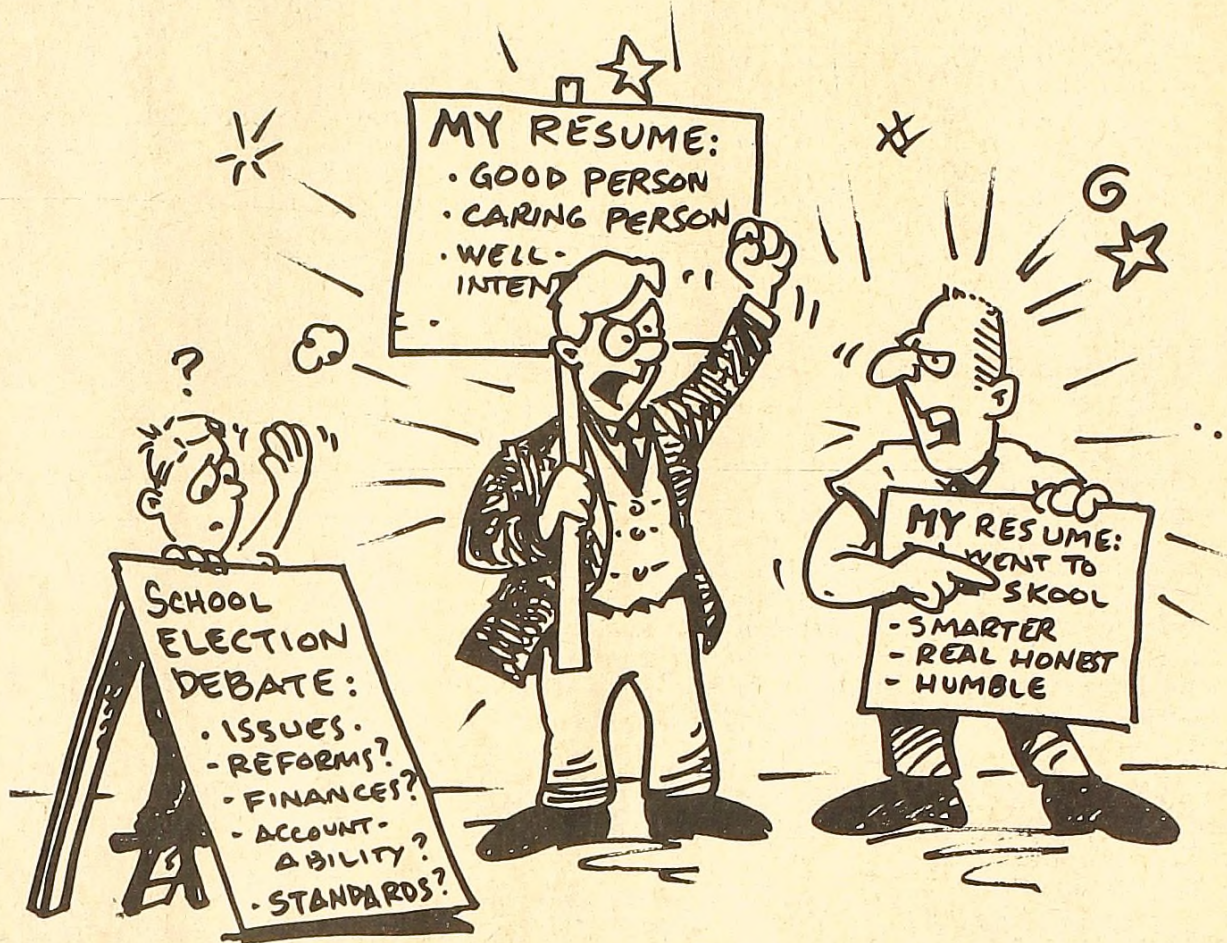

In Inkster four names are on the ballot for two seats. One of the four, Antonie Shaw is moving to Florida, thus is asking voters to refrain from casting a vote for him. Our choices in this race are incumbent Norma McDaniel and newcomer Areena Quincey Whitner. The highly intelligent McDaniel has been a voice of reason time and again, and it would be a huge loss if she were not re-elected. The fourth candidate is Oskie Carswell, former basketball coach and cousin to board member, George Williams. Electing Carswell would perpetuate the cries of nepotism and favoritism that continue to persist. For that reason we think Whitner would be a better candidate. With a child attending Inkster Schools, she claims to have the best interest of area children at heart.

In this day and age when the Governor has stepped in take over one school board, it is really important to get out and vote at these elections. Let's prove those that are predicting less than a 5% turnout at these elections, wrong. Let's mark that calendar and get out and vote on June 14.

Mike's musings

Mike Wilcox

## Choosing 'tween 8 smiley faces

Nice people are running for the school board in Plymouth-Canton and Wayne-Westland.

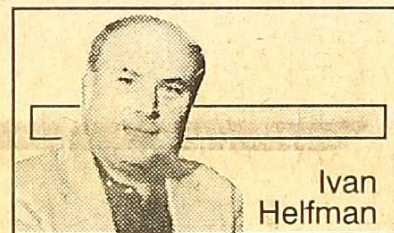

Those few of you who bother to vote despite the lack of substantial issues, such as replacing fuzzy whole language reading and whole math teaching methods with more effective phonics and "mathematically correct" methods, will find consolation in this year's abundance of smiley candidates and the inevitability of nice school board members.

Every candidate, especially Plymouth-Canton Board President Mike Maloney, is certifiably nice.

Of course, the price to pay for all this Rosie O'Donnell niceness is a failure to address not so nice issues -- such as the quarter of Plymouth-Canton students in classes for slow learners or the inability of Wayne-Westland schools to produce graduates matriculating to UM-Ann Arbor, which is partly funded by Wayne-Westland residents' taxes.

That said, there are differences between the candidates that favor Steve Guile and Mark Slavins in Plymouth-Canton and Martha Pitsenbarger and Marshall Wright in Wayne-Westland.

Of the two elections, the Plymouth-Canton is the most interesting, fueled by a breach between the board and employees' unions over merit pay issues and the fate

Ivan Helfman

of the district's high schools.

Partly because of Guile and Slavins' opposition to the board's plan to give merit pay to school principals and assistant principals, the unions have endorsed them over Maloney and Board Member Carrie Blamer, who favor the merit pay.

While I favor merit pay based on merit, neither Maloney nor Blamer were able to explain at a recent candidates' forum how and where merit comes into the picture under their two-year-old plan, which has left building administrators from signing a contract for those two years.

If the board members couldn't come up with a merit pay criteria after two years, their chances of coming up with it at all are slim.

While the merit pay issue offers an indication of the incumbents' abilities, even better indicators were the incumbents' two-year inflation-eating delay of the district's \$80-million construction bond caused by not settling a nickel-and-dime lawsuit; the incumbents' failure to hire a well-qualified substitute teacher despite a massive

protest by parents and students because of self-inflicted red tape; and by disgracing the community in a national magazine with their informal consideration of allowing corporations to sponsor district schools.

Based on Guile's accomplishments as former Plymouth Westland Downtown Development Authority director, his achievements in public affairs dwarfs the incumbents'.

Admittedly Slavins is a gamble, but gambling is preferable to suicide.

In Wayne-Westland, issues are few and far between the nice candidates.

Incumbent Martha Pitsenbarger and challengers Skip Monit and Marshall Wright agree on policy. All wish to spend the district's bond and operating money wisely -- who wouldn't? -- and to support the district's new curriculum, which is based on the state's latest core curriculum.

The only dissension comes from young Brenda Smith, who touts "progressive education" methods (no drills, no right answers), despite progressive education's 70-year record of regressive failures.

My picks? Pitsenbarger and Wright because I know them and like them. But Monit, who I don't know, appears just as nice and capable. Your call.

## Run and Keep Running--Don't Look Back

**Dear Mr. Ross:** I'm not sure where to turn or who to trust. My husband has taken complete control of my life. I'm not even allowed out of the home during the day when he's at work. He calls almost every hour of the day and if I'm not here, there is always hell to pay. He'll beat me until I tell him where I've been. I'm not allowed any friends or contact with my family. He tells me that these people don't have my best interests at heart like he does. He has made me into his personal slave and our pastor has no problem with that. Our pastor told me I should be obedient to God and my husband. Thank goodness we have no children. How could we? We never consummated our marriage.

He monitors everything I do when he's in the house, like how much laundry soap I use or how long I shower. I'm not allowed to wear make up or get my hair cut. It didn't get this bad overnight. It has been a gradual build up over the past 12 years.

I know if things are to get better I have to leave him. I have no money. If I could just get to my parents' house. They live several state lines away. But I'm afraid. I'm afraid if he catches me, he'll kill me. He has threatened that for years and I believe him. I've hesitated for months to write this. Somehow I've brought this upon myself by something I must have done. It's just that I don't think I care to live any longer if this is what my life was meant to be. Help me, please.

Anonymous

**Dear Anonymous:** Your husband may come after me for aiding and abetting his wife across several state lines, but that's the risk I'll have to take. You are in an extremely abusive relationship, and I can't imagine you or anyone else living this way.

## Fellow mental health worker praises candidate Wright

To the Editor:

I have known Marshall Wright for over ten years as a fellow case worker in the mental health field. He has always been a hard working conscientious, individual whom I am proud to say is a good friend of mine.

Marshall possesses great rapport with peers on a professional and personal level. He is caring and sincere. His greatest strengths are his communication skills and is a great motivator, not only of himself, but others. Marshall leads by example. I support and highly endorse his candidacy for a seat on the Wayne-Westland Board of Education.

For any questions you may have regarding Marshall, I can be contacted at 762-8420 between the hours of 8:00 a.m.-3:30 p.m. or 397-0728 after 4:00 p.m.

## Flag Day comes without our right to protect "Old Glory"

To the Editor:

June 14 is Flag Day. It's the day our nation sets aside to pay special honor to the American flag and its role in our country's history.

I have been fortunate to travel extensively in the past nine months. My travels have taken me across our nation and to several foreign lands. No matter where I find myself, I can look out of a window and somewhere in my field of view will be an American flag. That makes me proud and always brings me a sense of well being.

Two weeks ago I was in Indianapolis for the dedication of the only memorial in our nation to recipients of the Medal of Honor. During the impressive ceremony, the backdrop was a panorama of American flags held proudly by veterans, Scouts, members of the military and other patriotic organizations. During the dedication ceremony, the president of the Medal of Honor Society, Paul Bucha, told a crowd of thousands that the American flag was much more than a mere piece of cloth. Our flag is the hope of the world and the solemn cover that drapes the caskets of the nation's fallen heroes.

I find it ironic that for 10 consecutive Flag Days the American people have joined together to celebrate the lessons of "Old Glory" while simultaneously toiling to return to us the right to protect the American flag from physical desecration. That protection was stolen from us by a 1989 Supreme Court decision.

The American people, Congress and the President quickly reacted to that decision and passed a law - a sim-

ple statute - to protect the American flag. The Supreme Court overturned that law. In doing so, the court told Americans a simple statute would not work and the only way to return protection to the American flag was through a constitutional amendment.

Today, a decade later, we are still fighting to regain the people's right to protect the American flag. Polling over the decade has remained constant: nearly 80 percent of Americans favor an amendment. Forty-nine state legislatures have passed resolutions petitioning Congress to pass the amendment and send it to the states for ratification.

Why then are we still fighting for this right? Why has the House twice overwhelmingly passed the amendment only to have it defeated by a few votes in the U.S. Senate? Why do some Senators continue to propose a statute when they know it won't work?

The answer seems simple to me: We the People are not holding our elected officials accountable for their actions. We believe we elect our lawmakers to represent the majority of their constituents, but they don't. That's the real tragedy.

Look around you this Flag Day. Drink in the beauty of "Old Glory" waving proudly.

Remember the grade school lessons reinforced by the number of stars and stripes. Remember the story of Francis Scott Key and the writing of "The Star-Spangled Banner." Recall the scene of "Old Glory" being raised on Mount Surabachi. And take pride in the lump in your throat that comes with the realization that our American flag is much more than a symbol or a piece of cloth.

On Flag Day, let's honor "Old Glory" as never before. Then call our senators and urge them to do the right thing and vote for a constitutional amendment to return to us the right to protect our flag. I don't believe that's too much to ask of every citizen.

Sincerely,  
Butch Miller

## Marshall Wright fits the school board member mold

To the Editor:

If you were asked to make a mold of what a good school board member should be I am sure that Marshall Wright would not only fit that mold but in some cases he might

even break it. Let me give you some information about Marshall Wright and you go ahead and make your mold.

To begin with, Marshall Wright is a devoted family man and long time resident of this area (He is established in our community). Marshall Wright is a past Vice President of St. Gerards Consolated School Board (He has practical experience for the job).

Marshall Wright holds two bachelor degrees, one in science and the other in education along with several certifications (He is educated in the right areas). Marshall teaches school and was a youth counselor in Detroit and Wayne County (He has a hands on understanding of the needs of children and teachers).

Marshall is a former UAW Chief Steward (He knows how to work with unions). Marshall Wright is a Big Brother, was part of the Westland Playscape Committee, a Wayne/Westland Jr. Miss Board Member, sat on the Wayne Westland Schools Extra Curricular Committee, and a Volunteer Athletic Coach for 18 years (He cares about kids and is involved in making their lives better).

Marshall Wright is the Secretary to The Friends of the Westland Library, a Westland Goodfellow, a Westland Festival Volunteer, a Friends of

Sassafras Supporter, the Secretary to the Dad's Club, a Detroit Public Television Team Leader, and an America's Thanksgiving Day Parade Member (He cares about our community and is actively involved in making it better).

Did I hear you mold crack? On June 14th lets give Marshall Wright the job he was molded for, lets elect him to the Wayne-Westland School Board.

Sincerely,  
Kevin Headrick  
Westland

## Candidate shouldn't pass out political literature at parades

To the Editor:

I attended the Memorial Day Parade in Westland on Sunday, May 30, 1999. I witnessed an appalling situation.

Marshall Wright, a school board candidate for the Wayne-Westland Community School District, was passing out his campaign literature during this parade.

I can not believe anyone could be ruthless enough to use the Memorial Day Parade, a memorial to all the men and women who have lost their

lives for our freedom, as a political opportunity for their campaign.

What type of leader could he be for our children?

Sincerely,  
Leslie Moore

## Schoolcraft board candidate is consummate volunteer

To the Editor,

Richard Reaume is a candidate for the Schoolcraft Board of Trustees in the June 14th election. This is non-paying position.

Richard is a business owner and has a Master of Business Administration degree in Finance from the University of Texas. He is a single foster parent of three girls, all of whom made the Honor Roll in the Plymouth-Canton schools this past semester. Richard is the consummate volunteer and is dedicated to our community. Unlike some of his competition, he actually votes in school elections.

We need more elected officials of the caliber and character of Richard Reaume.

Sincerely,  
Mike Gerou

## Once again we ignored well being of children

To the Editor:

Here is some more surprising info in the newspaper: a fifth grade girl was harassed by a boy classmate. He was making rude comments and sexual innuendos to her. She told the teacher, and her mother complained to the principal. The boy was moved to the other side of the classroom.

He kept on harassing her in the halls. The girl was very upset and frightened, and didn't want to go to school. Still, nothing was done. It was not stated that the boy's parents were called in, nor was the boy disciplined.

The mother finally took the case to court, saying that the school was lax in protecting the girl. The judge threw the case out. So then, the mother took the case to the Supreme Court in Washington. Finally, there, the judges ruled in the girl's favor. What came of it, we were not informed.

In the work world of adults, women are protected by the no sexual harassment law. Why then, are young girls not protected similarly, in school? Another example of how little we value our children's well being.

Mrs. Elaine Dunn

## Wright will look out for kids' interests

To the Editor:

In our upcoming Wayne-Westland School board election, I would like to see all the registered voters take an interest and get out to vote. It's always important who we vote for on our school board because they make important decisions that affect our school district.

On June 14th, the day of our school election, we will be filling one empty seat because the present member isn't running for re-election.

We have a very good person running for that seat, Marshall Wright. He listens to the people and wants to do the best for our children.

He has raised 3 children of his own in our school district and they are all furthering their education now. He is knowledgeable and has experience as a youth probation counselor.

He will look out for the best interests of our school district as well as our children.

He will dedicate himself to ensure the best education for our children, and will always be available to communicate with the school employees as well as the parents and children of our school district. So please vote for Marshall Wright for Wayne-Westland School Board to help make our schools better and also the relationships between the parents and the school district. Remember vote June 14th.

## High school campus teaches students about diversity

To the Editor:

Diversity, expression, and identity. These are a few characteristics that come to mind when I think of my school. Plymouth Canton Educational Park has so much to offer. One of the strengths of PCEP is its diversity. Amongst the 5,000 or so kids who go to PCEP many cultures are represented. Not too long ago, I had the privilege to take a look into one of these cultures for myself. Recently one Friday the Asian Pacific American Club, composed of kids from our school, put on their second annual "Flavors of the Far East" dinner and show.

ner and show.

The first thing I noticed as I entered the Canton cafeteria was the enormous amount of food set in a buffet style. It was delicious. For just four dollars we were able to sample an extraordinary amount of authentic homemade food. Then as you progressed down the table we had the chance to sample everything from rice muffins to really hot spicy cabbage to flan. Everything looked extraordinary to me, and it was. I knew they were all authentic recipes because the kids serving described to us how their grandparents and parents prepared the dishes. The food was a mixture of Thai, Chinese, Japanese, Philippines, Chinese, and Vietnamese.

After the marvelous dinner we all piled into the Canton Little Theater to watch the show. They told us how the club started last January in 1998. Their goal is to spread awareness to students and have a place for kids who are alike to hang out together and share their experiences of everyday life at the park. The members of the club performed folk dances including "Sakuting" where they used sticks to portray a mock fight, and the Flag and Fan Dance. They each had either a fan or a flag that they would whip around and twirl with incredible gracefulness. The other performances included a puppet show addressing current minority issues, a Chinese harp, and the last part of the show as a fashion show set to traditional Asian Pacific music. The models wore colorful and authentic dress from many different countries. The finale consisted of American songs and dances. They ended it with this because they wanted to acknowledge their heritage, while remembering where they live now. They are American with a strong Asian Pacific culture. I thought that was really a cool way to end. You could tell the performers spent a lot of time practicing for each of the acts. It looked like they put a lot of time and effort into their performance. They were proud of their result.

I'm glad that I took the time to go to this show. I learned a lot that I had never known before about their culture. I also left with a greater appreciation for the people in the club. They were proud of who they were. They liked honoring their heritage that made them different. They accepted that they were a minority in the park. I realized once again how many different people are out there today. There's not just PCEP. There's not just my group of friends. There are

many more people who have a strong identity and represent themselves here at the park very well. Because the Park is so large we have many opportunities to experience this diversity. Its impossible for me to comprehend how many other people, countries, and societies there are in this world. I could never understand them all, but I can know that there is always more to learn. Things that I have never been aware of before will come my way and hit me in the face. Socrates comes to mind when he said, "I am better off than he is, - he knows nothing, and thinks that he knows; I nei-

ther know nor think I know." Theresa Radtke

## Saluting special parents

Volunteer parents who work with special needs children in the Van Buren Public Schools were recognized last month for their efforts. Karen Koski-Roe, Jennifer Buck, Cheryl Barnes and Stephanie Furr, as well as director of Special Education Bob Crain, were honored at the board of education meeting. Crain said of the volunteers, "These people work with our kids not only with their professionalism, but with their hearts....Without people like this, our kids would really be in trouble." # Canton seniors planning bingo at Liberty Fest 99

By AL POST  
MCN Staff Writer

The Canton Senior Center is sponsoring a bingo night at 7 p.m. June 18 as part of the Liberty Fest 99 celebration.

The bingo event has no entrance fee and the prizes will be half the amount gambled for each game, the hosts state.

Volunteers are needed for both the 7 to 9 p.m. and 9 to 11 p.m. time periods.

Tickets are now available for the Firefighter Charity Foundation/Liberty Fest Spaghetti Dinner slated from 4 to 9 p.m. at the picnic shelter in Heritage Park.

The dinner will include spaghetti, salad, rolls, beverage and dessert. Tickets can be purchased from either Canton Fire Station, the Summit on the Park, Canton Township Clerk's Office and Rose's Restaurant.

A health lecture entitled "Remarkable Memory" by Dr. Bharati Srivastava - a Canton resident - is slated for 11 a.m.

June 14.

The lecture is sponsored by St. Joseph Mercy Hospital. Call 397-5444 for more information.

Hearing aide check-ups and a talk about "Hearing Aides - How They Work and What You Need to Know" will be offered at 1 p.m. June 23 in the Maple Room of the Summit.

There is no charge, but reservations need to be made. The session is slated by the Deaf, Hearing and Sign Language Center.

The annual summer movie series "Dessert and a Movie" resumes on July 1 in the Parkview Room.

Slated to be shown in coming weeks are: *Elizabeth*, *Life is Beautiful*, *One True Thing*, *The Truman Show*, *Patch Adams* and *Primary Colors*.

There is no charge, but the hosts ask you to register by calling 397-5444.

A summer picnic to celebrate Seniors Day will be held at 6 p.m. July 1 at the two new

picnic shelters next to the Playscape.

The cost is \$3.50 for hot dogs, chips, fruit salad, dessert and beverages.

Following the picnic will be a concert at 7:30 p.m. featuring Bobby Lewis and the Crackerjack Band.

Registration is needed at the front desk of the Summit on the Park.

The 4th Annual Summer's End Dance featuring John Sterbenz "Solitaire" will be held from 1 to 4 p.m. Aug. 27. Singles and couples are invited to the swing dances, line dances and fun with the one-man band.

Tickets are \$4.

Numerous day trips are being planned in coming weeks...including:

- a Tiger-Brewer baseball game on July 11
- a Genesee Belle Cruise on June 22
- the Three Tenors Concert at Tiger Stadium on July 17

MICHIGAN COMMUNITY NEWSPAPERS

## Notting Hill makes dreams reality

By SYBILLE MARR  
MCN Special Writer

Everyone has had the dream. No matter how old or how young. The dream of being a movie star or being part of one's life. Yet when you grow older you realize that is just a dream and nothing more. Not everyone can be an entertainer or be a part of an entertainer's life, but when you do it is a special time.

That is where the recent release *Notting Hill* comes from. The dream and the reality meet in the real world to make two individual's lives confusing and a little messy.

*Notting Hill* stars Julia Roberts as Anna Scott. She is the most popular actress in the world. She has a new movie coming out every time you turn around, but there is something missing in her life.

She is missing life itself. She has press people chasing her everywhere she goes. They watch every step she makes, every building she visits, and every guy she is interested in. She can't have a decent conversation on a date without the press interrupting. Then she visits Notting Hill.

*Notting Hill* is a small suburb within London. There are different small businesses opening and closing everyday. Whether it be a new gourmet restaurant to a clothing store. There are few businesses holding on to the dream, the street vendors who's carts are filled with what ever you want and a small travel book store owned by a young man with not too much going for him, William.

Hugh Grant plays William Thatcher the young store owner with a slew of off the wall friends and family. He is divorced from a woman who left him for another man and he hasn't had a relationship in years and was not really looking for one, until he looks up at a customer in his store and he

Hugh Grant and Julia Roberts star in the romantic comedy *Notting Hill*, now playing in area theaters.

is, from that point, enchanted by the sight.

He looks up and sees Anna Scott, movie star extraordinaire, searching through some books. He helps her with a couple of suggestions and sends her away. Then, while he goes out for orange juice he bumps into her, literally, again.

They end up talking and hitting it off. Through a few meetings between them they start to fall in love, then the boyfriend comes in. Anna has a testy actor boyfriend played by Alec Baldwin. They are on the verge of separating, but it has not been pushed yet. When William finds out she has him still in her life he decides to say goodbye to Anna on good terms rather than waiting for the ball to drop on him.

A year goes by and she goes in and out of his life through out it. He falls in deeply in love with her, but her movie stardom life is interfering.

*Notting Hill* keeps Roberts in the view of summer movie romance queendom. Though there are a couple of scenes you just want to run up to her and shake the crap out of her and ask her "What the heck are you doing? Can't you see he loves you??" Grant shows that the British are still invading our country with brilliant comedy and a great smile. You just can't help but to want to take him home with you.

The other players in the cast are right from BBC television or British stage plays. They are humorous and brilliant in their acting skills and their comedy. This was one impressive supporting cast.

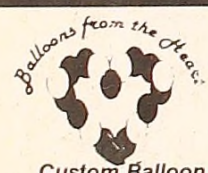

*Notting Hill* is the first great romance to come out this summer. You have to rush out to see this one before the summer ends. This is a movie that helps you realize that your dreams can be a reality you just have to trust in your heart to help you.

## Sonata purrs like a kitten

By SYIBLE MARR  
MCN Special Writer

I have never drove a Hyundai. Everyone that I have seen, whether it be on the road or parked in my neighbor's driveway, I was never impressed by the outside. Then I was able to get behind the wheel of one. It was outstanding.

The Hyundai Sonata is a cat on the road. It prowls around the corners gracefully and easily. Its exceptionally quick on surface and dirt roads alike. Anyone can take this car down the road and feel like royalty.

The Sonata has a V6 aluminum engine that displaces liters and gives out major torque. The engine has been redesigned and has a change

in mounting position to reduce engine roll vibrations.

The front suspension has new double wishbone suspension. The rear suspension has a multi-link design. These specifications on the suspension make for easier handling on those rough Michigan roads and makes for a more first class ride.

The Hyundai Integrated Electronic Control automatic transmission never has to hunt for the right gear during climbing or descending hills. It's controlled by a sophisticated computer chip with network programming which enables the computer to learn and adapt to different patterns.

The interior of the Sonata is

extremely comfortable for all riders in the back and front. The seats are comfy and the leg room spacious. This would be a great car for a long family drive.

The safety features are your typical 90's features Abs brakes, air bags, etc. Nothing out of the ordinary. That is a downfall. You might think with all the new engineering done to the Sonata Hyundai would have added new safety features.

This vehicle is a must drive. You have to experience the agile ride, the quick take of the corners, and the great comfort that goes with it. This is a dream car that should be a reality to everyone.

## Gun purchases show that kids, felons can get guns

Between March 31 and April 9, 1999, undercover teams from the Wayne County Sheriff's Office, the Wayne County Prosecutor's Office and the Wayne County Airport Police teamed in an undercover sting operation to buy weapons at 10 different gun dealers.

The undercover officers worked in two-person teams, with one officer posing as either underage purchasers or as having a felony in their background. The second officer posed as a legal purchaser, there to make the buy for their partner. While many of the gun dealers explained how illegal these "straw purchases" were, they continued to make the sale by instructing the officers on how to complete the transaction.

In each case the person trying to buy the weapon explicitly advised the dealer early in the transaction he was either a convicted felon or underage, and that his friend, the "straw purchaser," would be the one whose name would be on the paperwork.

Of the 10 dealers, eight sold the guns in illegal straw purchases. In all, 37 guns were purchased.

Here's what happened:

March 31, 1999 at Alexander's Sport Shop in Inkster: Wayne County Sheriff's Deputy, posing as a felon, purchased a Davis N/P/P.380 Caliber handgun. The "felon" picked out the gun, paid the money, and took the gun from the dealer.

April 1, 1999 at Alexander's Sport Shop in Inkster: Videotape had failed on previous day's purchase, so same pair of Sheriff's Deputies returned the next day and repeated the purchase of a Davis NIP/P/.380 Caliber handgun by the "felon."

April 2, 1999 at Pago's Gun Shop booth at Gibraltar Trade Center in Taylor: Two undercover Sheriff's Deputies, one posing as a felon and the other as the straw purchaser with a handgun permit, purchased a .44 caliber magnum handgun. The "felon" identified himself as such to the dealer and

picked out the gun. The dealer told the "felon" such a purchase was illegal. The dealer then proceeded to tell the "felon" the amount of the purchase, but directed the felon to hand the money to the straw purchaser who in turn handed it over to the dealer. The dealer then handed the gun directly to the "felon."

April 2, 1999 at Gander Mountain in Taylor: Two undercover Sheriff's Deputies, one posing as a felon and the other as a qualified buyer with a handgun permit, attempted to purchase shotgun. The officer identifying himself as a felon was allowed to pick out the gun, pay the money directly, and take the Mossberg shotgun himself. The "felon" took the gun out to his car, then immediately returned and told the clerk he decided he wanted two more and was sold two more Mossberg shotguns, with the straw purchaser filling out the paperwork.

April 2, 1999 at Dick's Sporting Goods in Taylor: Same two deputies as at Gander Mountain repeated the identical

scenario at Dick's Sporting Goods with the same result. The officer who identified himself as a felon was allowed to pick out, pay for, and take a Marlin semiautomatic take-down rifle. After taking the rifle to the car, the "felon" returned to the store, telling the salesman he decided he also needed a New England Firearms single shot .410/45, which was sold to him in the same manner.

April 6, 1999 at Motor City Sports (Laney Guns and Supplies) in Detroit: An employee of the Wayne County Prosecutor's office teamed with a Sheriff's Deputy and an officer from the Wayne County Airport Police to purchase a handgun by a juvenile. After the "juvenile" identifies himself as underage, the dealer allows the "juvenile" to handle and pick out the weapon, but makes the "juvenile" hand the money to the straw purchaser who, in turn, hands it to the dealer. The dealer then hands the straw purchaser the Jennings N/P/P

9 mm handgun.

April 9, 1999 in Midwest Ordinance Gun Shop booth at Gibraltar Trade Center in Taylor:

Prosecutor's office employee and Sheriff's Deputy purchase a Smith - Wesson .B/S/P semiautomatic handgun. The "juvenile" identifies himself as underage, is allowed to pick out the gun himself, pay the dealer directly, and take the handgun.

April 9, 1999 at J. S. Sporting Goods booth at Gibraltar Trade Center in Taylor: Same team purchased a semiautomatic rifle and 30 clip magazine (classifying the gun as all assault rifle). The "juvenile" identified himself as underage, but the tile dealer directed him to hand the money to the straw purchaser who, in turn, handed it to the tile dealer. The "juvenile" then asked for the larger clip, which the dealer again sold after taking the money from the straw purchaser.

April 9, 1999 at Dean's Gun Shop booth at Gibraltar Trade Center in Taylor: same team

purchased a Colt semiautomatic rifle. Here, after the "juvenile" picked out the gun, the dealer directed him to give the money to the straw purchaser who in turn gave it to the dealer. However, the dealer gave the change and the receipt directly to the juvenile and handed the rifle directly to the juvenile as well. Two other straw purchases were made by private investigators working for the County.

March 24, 1999 at Sports Authority in Dearborn: The investigator who identified himself as a felon picked out the gun, but the salesman advised him it was an illegal straw purchase and told the two what to say to the manager to effectuate the purchase. The "felon" paid for and received directly the Colt .44 caliber magnum at the cash register.

Wayne County Sheriff Robert Ficano, whose deputies did most of the undercover stings, is now reviewing the evidence in those cases with Prosecutor O'Hair.

### Honor roll of Seniors

Although they were small in numbers - 50 to be exact - the graduating class of 1999 at Inkster High School has produced scholars and outstanding athletes.

Among the Vikings' leaders are notably three scholars - Nyisha Renee Edwards, Joy Lanee' Bolden and Ebony Naimah Hill, and outstanding athletes such as Cornelius Williams.

Miss Edwards leads the class academically. She was awarded the coveted Valedictorian designation for her outstanding achievements in the classroom.

Miss Bolden and Miss Hill were named the co-salutatorians.

The members of the 1999 Inkster High graduating class are:

## Romulus falls 3-pts shy of state track title McCauley, Terry, Moss and Grubaugh are state champs

By TOM MOORADIAN  
MCN Staff Writer

It was their best finish ever at the Division II track & field state finals.

Second-place in the state of Michigan.

A great accomplishment for Romulus and for coach Norb Glover.

Just three points separated Romulus from the coveted title. That's how close it was.

A dropped baton. Unable to pick up a point in the last event, the 1,600-meter relay, and a couple of other missed opportunities meant the difference between a gold and a silver finish.

"In retrospect, when you look back and say to yourself

we could have done it. It was all ours for the taking, and it didn't happen, you do feel disappointed.

"But how can you be disappointed in finishing second in the state? That is an achievement only a select few reach and enjoy. And, believe me, we will be back next year," Glover vowed.

Corunna, which came up with a stunning victory in the final event of the meet - the 1,600 meter relay - captured the 1999 Division II track & field state title by a total of three points.

Corunna had amassed 45 points; Romulus was second with 42 and Jackson Lumen Christi finished third with 41.

Dearborn Heights Robic-

haud, which had the best 200-meter sprinter in the field in junior David Moss, finished 12th with 13 points. Moss beat Lumen Christi's Nic Farrell to the wire for his gold medal. The Robichaud junior was clocked in 22.15, while Farrell checked in at 22.67.

Romulus's Carleton McCauley, Ashley Terry, and the Eagles' 800-meter relay team all posted sterling performances and earned gold medals.

McCauley, a senior who is the son of Francis McCauley, the athletic director at Robichaud High School, ran what coach Glover labeled a "perfect race."

"He (Carleton) ran a flawless race," Glover noted. "He

didn't touch a hurdle. He was untouchable in the event."

McCauley posted a 14.83 for the 110-meter hurdles, which is short of the school record (14.3), but the best time in the state finals. He dueling Algonac's Sam Dobbs most of the way, but McCauley had enough at the finish for the win of a lifetime.

Dobbs's silver-winning performance was a 14.94, and the bronze went to Orchard St. Mary's Dave McDermott who was clocked in 14.99.

Terry, who will be back to defend his state title a year from now, ran a 49.76.2 in winning the state title in the 400-meter race. Two other competitors were breathing down Terry's neck all the way. In a

"photo finish" officials awarded Whitehall's Gavin Haan the silver (49.89), and Orchard St. Mary's Larry Clark had to settle for the bronze for his 49.97 effort.

Romulus's All-State running back Freddie Russell also came within a couple of hundredths of a second of winning a gold in the 100-meter dash.

Russell finished second to Stevensville Lakeshore's Antwan Henderson, who had a 11:05 day on a day met for track & field. Russell's second-place time was 11:07.2. Farrell checked in third (11.15).

The disastrous mishap occurred for Romulus in the 400-meter relay where a dropped baton proved fatal. The Eagles were flying toward the gold

went the fatal exchange occurred.

But Romulus did come back to win the 800-meter relay thanks to the combined performances of Russell, Michael Woods, Derrick Radford and Terry who posted a 1:30.3 for their winning time.

Incidentally, that 1:30.3 is not a school record.

But, although the 3,200-meter relay team finished fifth with Alex Abdo, Kalib Beasley, Jarvis Jordan and Terry in 8:03, the mark did erase the Eagles' previous best of 8:15, also set by the same foursome.

The area also produced the state's best high school discus tosser in Plymouth-Salem's

### State runners-up

Romulus High's record-shattering and history-making track team celebrate after their second-place finish at state. Coach Norb Glover's Eagles, pictured above, fell a mere three-points shy of winning it all in Division II. They wrapped up the dual meet season with a perfect 8-0 mark, and retained the Mega Conference title along with the regional championship. At right is the state trophy awarded to them by the Michigan High School Athletic Association for their outstanding effort at the state finals in Bay City.

## Local hoop greats come out of retirement for good cause

By TOM MOORADIAN  
MCN Staff Writer

Some of the legends of basketball will come out of retirement and join forces with present hoop greats for a good cause on Saturday.

The Inkster Legends, including Barry Hardy, former Inkster High all-stater, who is presently with the Harlem Globetrotters, ex-Viking star Albert White, of University of Michigan and Missouri University fame, and Andre Davis, who has played professionally in the European League for the past decade, will be putting on their uniforms to play in a benefit game in Inkster to help raise funds for basketball camps.

There will be not one, but two, benefit games played beginning at 2 p.m. June 12 at the Booker T. Dozier Recreational Complex, located at 2025 Middlebelt Road.

Donations are \$2 which will help pay for the camp that will be conducted Aug. 5-6 at the recreation complex. All campers who wear last year's Legends Camp T-shirts will get in for the price of \$1.

The first game will feature the Michigan All-Stars against the AAU All-Stars. Some of the most skillful women basketball players of today will be pitted in the opener.

Then, Game 2 will bring together the Inkster Legends, made up of former and present All-Americans like Fred

Smiley, Eartha Faust, Barry Hardy, Al White, Richard Walker, Woodell Payner, Darrell Green, Andre Davis, and Victor Diehl who will take on the Ford League champs.

"I don't think you'll find such an array of former and present basketball stars anywhere," said Smiley, who is the primary force for organizing the basketball camps. "These players are, were and will always be legends of the game."

There is a slam dunk contest that will feature Hardy, White and Davis.

The women's basketball lineup features such outstanding players as University of Detroit's Lydia Johnson,

## Journey makes it 3 straight

By TOM MOORADIAN  
MCN Staff Writer

Not only did they win their third straight National Invitational Title, but the Journeyman returned to the city of Westland with the Most Valuable Player and the Defensive Player of the softball tournament.

Coach Larry Quartuccio's club won five straight, one via a forfeit, en route to the tournament championship. Coaches picked second baseman Dave Dohanos as the MVP of the tournament and drafted Dohanos's teammate, Scott

Janack, as the best Defensive Player of the five-game series.

Dohanos's credentials included a .588 batting average. He had six homers and 12 runs batted in for the series.

"It was another one of those team efforts that helped us with our third major tournament title of the year," noted Quartuccio, a former Wayne resident. "This tournament had 20 teams in it and they represented seven states including Michigan, California, Pennsylvania, Kentucky, New York, Ohio and Indiana."

The Westlanders launched their bid for the tournament ti-

tle with a lopsided 21-4 victory over Sydney Micro, a team out of Sydney, Ohio. Scott Hille led the winner's assault as he drilled four homers and accounted for 10 RBIs. Janack contributed two roundtrippers and also had four RBIs, while teammate Johnny Simpson blasted four hits, including a double.

The Westlanders also got three singles from Tom Lengyel and three hits, including a homer from John Sampson.

The Journeyman survived a

## Early exit Glenn's long journey ends

By TOM MOORADIAN  
MCN Staff Writer

It was a long and frustrating season for Westland John Glenn and coach Todd Duffield which ended, unfortunately for the Rockets, after a long and frustrating 2 1/2 hour trip to never-never (again) land, Oxford High School.

Not only did the Rockets wind up at the wrong field because of apparent misdirections to the high school, but they also lost a season-ending 8-5 pre-district qualifier to Garden City last Tuesday.

Duffield, and most of the local coaches involved in the Oxford district, are still wondering how Oxford was ever awarded a district playoff tournament involving local teams such as Livonia Franklin, Churchill, Garden City, Wayne and Westland John Glenn.

**"I felt we could have played much better than we did."**  
- Todd Duffield

And most refuse to comment because, they say, they don't want their comments to be misunderstood as "sour grapes."

Garden City, which reached the district championship game, lost to Livonia Churchill. The Chargers, whose last district title came some 20 years ago under coach Rog Frayer, qualified for the title-bout by erasing Wayne Memorial from their paths, 13-10.

Duffield said he was frustrated not because he felt that his team could have been a serious contender for the conference or the playoffs, but

"because I felt we could have played much better than we did."

The Westlanders wound up a 13-17 team for the 1999 baseball season.

Garden City's Robby Hudson worked the first four innings against the Rockets and he gave up a run in each of those four frames before he was removed for reliever Justin Ockerman.

Hudson got credit for the victory.

Ockerman not only silenced Glenn's bats but he also contributed a homer that sailed over the fence, a fence that was somewhere between 270 to 300-feet deep in center field.

Duffield started with his ace, Dale Hayes, who went the distance, struck out four and walked only one, while giving up nine hits. After Glenn scored a run in the top of the

## Wayne wastes HR ball

By TOM MOORADIAN  
MCN Staff Writer

Livonia Churchill exploded for five runs in the fourth inning, came back for four more in the fifth to hand Wayne Memorial a season ending 13-10 setback in the first-round of the Division I District Baseball Playoffs staged under a sun-lit sky Saturday at Oxford High School.

With the right field fence - a mere 320-feet away - as the backdrop to the controversial playoffs, the long ball ruled the day and the series.

Wayne belted four homers in this one, two of them by Shawn McDaniel, who also accounted for three RBIs. Matt Mackiewicz also had a solo

blast for one of his two hits on the day, while losing pitcher John Ferris drilled a three-run HR in the bottom of the sixth.

Wayne also got two hits each - all singles - from Jeremy Overton and Scott Teasdale.

Wayne assistant coach Braden Byrd elected to start Ferris, who worked 3 1/3 innings before Byrd went to relievers Ryan Ybarra and Justin Moes.

Byrd was summoned into

action after it was learned that veteran head coach Jim Chronowski's mother had been taken seriously ill and was rushed to a hospital in Saginaw. Chronowski went to his mother's bedside.

On Monday, Chronowski said that his mother was "doing fine and had been released from the hospital."

Assisting Byrd at the district playoffs were coaches Bill Hamilton and Bill Grove.

Wayne's defense made three costly errors, and coaches believed that "the outfielders couldn't pick up (fly balls) because a hill, with a white backdrop to it, made the airborne white ball partially invisible."

## Plave cards no-hitter Romulus is ousted from playoffs

By TOM MOORADIAN  
MCN Staff Writer

Europe-bound Derek Plave fired his first no-hitter, struck out a personal record of 14 batters and issued four walks as Romulus knocked off Dearborn Heights Annapolis, 5-0, in a pre-district Division II baseball playoff.

But coach Keith Brothers's Eagles on Saturday failed to make it out of the Riverview district, falling to New Boston Huron, 5-0, in the first round.

Riverview destroyed Huron's Chiefs', 14-7, to win the district championship. The Pirates advance to the Division II regional playoffs to be staged on Saturday.

Although Brothers, who completed his first season as head coach at Romulus, was

disappointed in the loss, he was not disappointed with his team.

"We finished 9-3 in our division (Mega Conference, Gold) and posted a 14-14 overall record, and with four sophomore starters," Brothers stressed. "I feel very positive about our future and the kind of impact this team is going to make in their conference and in the area."

Plave, a senior, has been accepted to play in Europe this summer. He held the An-

napolis Cougars hitless in his first career no-hitter. His teammates put the game away in the top of the sixth when they exploded for three runs.

Dennis Landskroener led off the inning by putting Jeff Molloy's fast ball over the left-fielder's head for a home run. Then, Aaron Brohl was safe on an infield error, stole second and scored on Ryan Block's two-base hit. Block was chased home when Justin Goodman, who had a perfect day (3-3) at the plate, singled.

Landskroener had three hits in four appearances and scored three runs. He also successfully stole twice.

However, New Boston Huron, the second-best team in the Huron Conference this

## Wayne to hold hoop camp

By TOM MOORADIAN  
MCN Staff Writer

If you're planning to participate in the Wayne Summer Basketball Camp you don't have much more time to sign up.

Popular Wayne Memorial head basketball coach Chuck Henry said that the cut off will be the first 48 campers for each of two sessions he and his staff plan to hold.

The first session will be staged from 1 p.m. until 3:30 p.m. Monday, June 21 through Friday, June 25. This session is for boys and girls going into the seventh through 12th grades as of September, 1999.

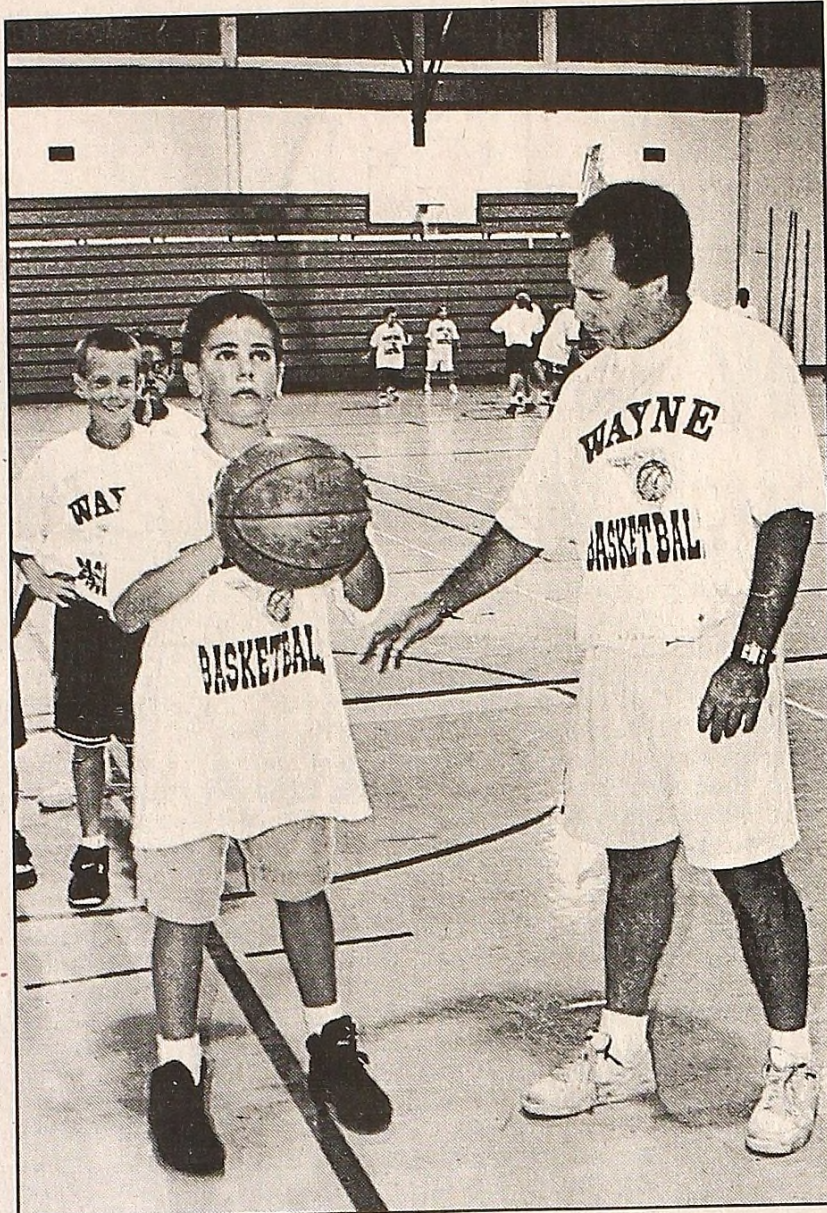

As in the past, the camp will be held at Wayne Memorial High School's Alumni Arena and will be supervised by coach Henry, a veteran basketball coach who has one of the best overall won-lost records in the area.

The second session will be staged from 1 p.m. until 3:30 p.m., beginning June 28 through July 2, and this session is geared for boys and girls going into the third through sixth grades as of September of 1999.

The participants will receive instructions on the fundamentals of basketball, skill development, and there will be competition trophies, T-shirt, a three-color basketball to the first 36 paid campers in each of the sessions.

Registration is \$40 per camper.

Parents are requested to make checks payable to Charles Henry and mail the

check to 42183 Woodcreek Lane, Canton, Mich. 48188. For further information, contact coach Henry at 734/398-5975.

Parents also will be requested to sign a waiver of liability that would absolve

Wayne Memorial High School and the Wayne-Westland Community School District of any and all liability as a result of their son or daughter receiving an injury due to their participation in the Wayne Summer Basketball camp.

and Jocelyn Boyd.

Also featured are Markita Aldridge, UNC State's Lauria Byrd, of Eastern Michigan Fame; DeLonda Little, Wayne State; Tamika Matlock, Michi-

gan State, Ange Jackson, of Old Dominion, and Cozette Ealy, of the University of Houston.

Tip off, fans, is at 2 p.m. on Saturday.

first, but the Cougars came back and tilted the scoreboard for four runs that gave them a 4-1 lead which they protected

most of the game.

But, before they said "good-bye" to the season, the Rockets unleashed a HR assault that was second to done this season. Justin Fendelet put one over the fence in the seventh inning. Earlier, in the second inning, Ryan Rattray also sent

one over the fence. Unfortunately, Fendelet and Rattray's circuit clouts came without the benefit of anyone aboard.

Garden City countered with a pair of homers from Ryan Krol, while Angelo DiMichele's blast came with two runners on base.

The loss - and the season - was a bitter one for Chronowski, who brought the curtains down on his 29th season as head coach.

"Our kids worked as hard, if not harder, than our teams of the past, but things just didn't seem to work out for us this season."

Before traveling to Oxford, Wayne wound up a 9-2 loser to Taylor Kennedy in their Mega Conference, White Division finale. But the Zebras managed to upset Mega Conference, Red Division co-champ, Southgate Anderson, 8-2, in a crossover game last week.

Against Kennedy, Gary Stevens accounted for two of Wayne's six hits. Both of Stevens's hits were singles.

Wayne finished with a 3-9

record in the division, a division dominated by Redford Union, which won the title with a perfect 12-0 record.

Against Anderson, Wayne's Justin Moes worked five innings and got relieve help from Mackwicz to chalk up the victory.

Wayne collected a total of 10 hits, two each by Ybarra, John Judd, and Brian Czyzak, who had a double and a single and two RBIs.

year, held the Eagles to two hits and went to end Romulus's

season, 5-0.

Aaron Brohl started on the mound for the Eagles and worked 3 1/3 innings, gave up three of the five runs, with only one of them earned. He struck out three and walked three be-

fore Brothers called upon Plave to finish up.

Faced with runners on first and third, Plave fanned the first batter he faced, then walked the next two and gave up a single that was the beginning of the end for the Eagles.

scare from an outstanding Indianapolis team, Mercer Machine. They rallied for three runs in the last of the seventh to post a 13-12 victory as Dohanos came through with a pair of circuit clouts and four runs batted in. Tom Lengyel laced a triple for one of his four hits, while Mark Matchulate missed hitting for the cycle when he failed to get a triple to go along with his single, double and homer.

Jason Riggs made his presence felt with a homer and a pair of singles.

*Aftershock had after thoughts of meeting the champs.*

Scott Nastally was the winning pitcher.

In a slugfest with Aftershock, a team from Fairfield, California, the Journeymen blasted four home runs and scored nine runs in another thriller that they came out of, 24-23.

Dohanos again paced the assault with three circuit clouts, two singles and seven RBIs, while John Simpson did manage to hit for the cycle and had four RBIs. Brian Donehue fin-

ished with four hits including a homer and 4 RBIs.

A 11-run fourth inning was the difference in Westland's 23-7 triumph over Prestige/Calvert's as the champs erupted for four homers in that decisive inning. Janack walked away from the plate with two circuit clouts and five RBIs, and Steve Swope and Jason Riggs each collected one HR. Randy Windham came through with a pair of doubles.

In the finals, Aftershock had after thoughts of meeting the champs. With one loss on their record, the challenger would have to beat Westland twice in order to salvage the title. They decided that they would take the runner-up trophy and run.

## Free HIV/AIDS tests offered from June 21-25

By AL POST  
MCN Staff Writer

With one out of every 250 Americans now HIV positive, free HIV/AIDS testing will be offered to the community at Wayne County's Kay Beard Building in Westland from June 21-25.

The free testing will be offered from 8 a.m. to 3 p.m. daily during HIV/AIDS Awareness Week, Wayne County Medical Director Don Lawrenchuk revealed last week.

The Kay Beard building is located at 30172 Michigan Avenue. Additional details can be obtained by calling 734-727-7124 or 734-727-7125.

Lawrenchuk states that an estimated 40,000 people become infected with HIV each

year in the U.S., while an estimated one million persons in America are currently infected with HIV.

The county medical chief also reports that African American women now represent 56 percent of all AIDS cases among reported women today.

As reported earlier the key risks in contracting HIV/AIDS are:

- having sex with an infected person.
- having sex with a high-risk partner or a person with multiple sex partners.
- having sex with a needle sharing partner or sharing needles.
- being exposed to blood, semen, vaginal fluids or other body fluids.

## Golden anniversary Westons repeat their sacred vows

By THEOLA JONES  
MCN Special Writer

On a pretty sunny Spring afternoon, on the spacious grounds of the Park Nursing Center in Taylor, Michigan, Mr. and Mrs. Thomas Weston Sr. repeated their wedding vows on the occasion of their 50th wedding anniversary.

It was a perfect day, a perfect setting for the ceremony that was attended by many friends, family members and residents of the facility where Thomas Weston resides.

Rev. Willie Davis, pastor

of Gethsemane Missionary Baptist Church, performed the ceremony.

Blue and white umbrellas sheltered the tables adorned with sparkling white tablecloths, and centerpieces of blue and white flowers in crystal vases, with blue and white balloons, created a picturesque scene for the wedding.

The staff of the facility under the expert leadership of Joyce O'Grady, the coordinator, hosted the memorable occasion, that included a reception luncheon and music.

Longtime friends were

members of the wedding party: Robert Radney (Best Man); Leonora Houston (Matron of Honor); Pauline Hampton and Priscilla Hardison (Bridesmaids).

Also in the wedding party were Arielle Cargor (niece - Flower Girl); Dominique Curry (grandson - Ring Bearer), and sons Thomas Jr. and Kenneth gave the bride away.

The bride was beautiful in a white lace tiered gown, the groom was handsome in a black tuxedo. Mrs. Estelle Weston, mother of the groom, was among the guests in attendance.

**NOTICE OF PUBLIC HEARING**  
**HAZARDOUS WASTE MANAGEMENT CONSTRUCTION PERMIT APPLICATION**

Environmental Disposal Systems, Inc. (EDS) submitted an application for a permit to construct a hazardous waste management facility at 28470 Citrin Drive in Romulus, Michigan. The application was submitted to satisfy the requirements under Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451). The Department of Environmental Quality (DEQ), Waste Management Division hereby gives notice that a public hearing will be held on July 15, 1999, to receive comments on the application.

The proposed EDS-Citrin Drive facility would accept liquid hazardous waste from off-site generators for disposal in deep injection wells. Prior to disposal in the deep injection wells, the wastes would be stored in tanks and containers and treated in tanks. The site for the proposed facility is approximately 15 acres in size and is shown on the map below.

The Part 111 of Act 451 application is required for the above-ground storage and treatment of hazardous waste prior to disposal in the deep injection wells. The deep injection wells are subject to separate permit actions under the federal Underground Injection Control Program and Part 625, Mineral Wells, of Act 451; they are not subject to the Part 111 of Act 451 construction permit requirements.

The Part 111 of Act 451 application will undergo two separate reviews: one by the DEQ and one by the Site Review Board (SRB). The DEQ is now conducting its technical review of the application. If the proposed facility satisfies the design and operating standards under Part 111 of Act 451, the DEQ will refer the application to the SRB in September 1999. The SRB will focus on the potential impact that the proposed facility could have on the local community. After a series of public meetings, the SRB will recommend whether the DEQ should issue or deny a construction permit for the EDS-Citrin Drive facility. If the entire review process follows the minimum schedule, a final decision could be reached by June 2000.

The purpose of the hearing on July 15, 1999 is to give the public an opportunity for input early in the review process and before any tentative decisions are reached. Both oral and written comments will be accepted during the hearing. Speakers will be asked to register at the hearing and to limit their presentations to allow time for everyone who is interested in speaking. The public hearing will be held at the Romulus High School Auditorium, 9650 South Wayne Road, Romulus, Michigan, beginning at 7:00 p.m. Persons with disabilities needing accommodations for effective participation in this hearing should contact Mr. Steve Silver at the address below, or at 517-373-1976, at least a week in advance of the hearing to request mobility, visual, hearing, or other assistance.

The application may be reviewed at the Romulus Public Library located at 11121 Wayne Road, Romulus, Michigan; at the DEQ's Southeast Michigan District Office located at 38980 Seven Mile Road, Livonia, Michigan (contact Ms. Bonnie Pawloske at 313-953-1408); and at the DEQ's Waste Management Division Office located on the First Floor of the John A. Hannah Building, 608 West Allegan Street, Lansing, Michigan (contact Mr. Steve Silver at 517-373-1976).

Requests, comments, and questions regarding the application and review process should be addressed to:

Mr. Steve Silver  
 Waste Management Division  
 Department of Environmental Quality  
 P.O. Box 30241  
 Lansing, Michigan 48909-7741.

### ATTENTION READERS:

To Whom it  
May Concern:

Just wanted to tell you that  
we placed our ad with your  
papers (Michigan  
Community) and how sur-  
prised we were with all the  
response we received on  
our 1963 Dump Truck. We  
sold the ad after only one  
week in your newspapers.  
We had previously run ads  
in the News Herald, Free  
Press and Wheeler Dealer  
and received only three to-  
tal calls. When we placed  
the ad with your papers,  
our phone rang off the  
hook!
